# TECHNICAL INFORMATION

## KLEAR PULIDOR Y RESTAURADOR DE METALES

### Metal Polish & Shine

529-35035-370

---

Polish in small areas, manually or with a power buffer with clean, white woolen pad in good condition, exerting gentle pressure to avoid heating the substrate.

In vehicles, be careful along edges of painted or nickel-plated parts.

To SHINE: Apply a small amount of product on the surface and spread with a microfiber towel.

Exert gentle pressure to get a good finish.

Shine small areas each time.

For added shine and protection, apply KLEAR 35300-102/35310-102 Cera Abrillantadora after polishing.

Repeat if necessary.

---

#### OBSERVATIONS

- ✓ If you need more information, check our web site <https://www.gruposur.com/asistencia/>
- ✓ Keep container tightly closed in a ventilated place, between 20 and 30 °C, out of reach of children.
- ✓ Do not refrigerate this product

#### HEALTH

- ✓ If you need to dispose of empty containers of our products in Costa Rica, contact your SUR Color paint store or our industrial compound in La Uruca, San Jose.

The user of this product may need the appropriate Personal Protection Equipment (PPE), as described in its Safety data Sheet (MSDS), available at <http://www.gruposur.com>
