## KLEAR CERA LÍQUIDA ABRILLANTADORA

529-35310-102

### DESCRIPTION

KLEAR CERA LÍQUIDA ABRILLANTADORA is a liquid, brightening car wax that gives the vehicle body optimal protection against UV rays and inclement weather, leaving a clean, bright surface. Made from high-performance waxes and polymers.

### USE

Use KLEAR CERA LÍQUIDA ABRILLANTADORA to maintain automotive finishes. It is ideal for frequent use and simple application without the need to use excess product. Excellent performance and durability thanks to its liquid form. Applied with hand tools such as a clean, dry microfiber towel. Before using the product, make sure that the vehicle is free of contaminants. It can be alternated with our KLEAR CERA LÍQUIDA PULIDORA 35360 when the car needs it to clean the surface and correct any surface damage. Ready-to-use product.

### STRUCTURE

Car rims, bodywork (painted), spotlights, painted plastics

### Line

Domestic Line, Industrial/Professional Line

### PROPERTIES

#### PHYSICAL PROPERTIES

#### DATA

Appearance:

Liquid

Aroma

Vanilla
