

TECHNICAL INFORMATION

KLEAR CERA LÍQUIDA PULIDORA

529-35360-330

DESCRIPTION

KLEAR CERA LÍQUIDA PULIDORA is a polishing, liquid car wax that helps restore car body paint that have experienced deterioration and loss of their original gloss, helping to remove stains from weather exposure and small surface scratches on paint. It provides the vehicle body with an excellent layer of gloss and protection.

USE

Klar ULTRA CLEANER WAX is used to restore gloss of a vehicle body, when the paint has already lost its original gloss due to exposure to the sun and environment. Before using the product, make sure that the surface is clean, free of contaminants. Note: Use the CERA LÍQUIDA PULIDORA every time the vehicle needs it. If you want a better finish, you can alternate it with our KLEAR CERA LÍQUIDA ABRILLANTADORA 35310. Ready-to-use product.

STRUCTURE

Car rims, bodywork (painted), headlights, painted plastics

PRODUCT APPLICATION

Application instructions

Apply with manual washing utensils, such as car wash sponges or with power cleaning tools. Apply wax in parts, using linear motions and remove excess in the same way, before becomes dry.

After application, wipe with a second clean, dry towel to polish and highlight shine.

Only one thin coat is needed for better finish and performance.

For dust repellence and to keep the car cleaner for a longer time, apply our KLEAR ABRILLANTADOR ANTIESTÁTICO 35425.
