

TECHNICAL INFORMATION

SOLUCIÓN FUNGICIDA

Fungicidal Wash

539-00334-900

DESCRIPTION

This fungicidal wash has been specially designed to remove or inhibit fungi, algae and molds from surfaces affected by this type of contamination.

USE

Use on external surfaces made from concrete, its derivatives or metal. Due to its smell, it is not recommended to apply indoors. Apply with brush or spray over the areas affected by fungi, algae and mold, leave on for 20 minutes, scrub with a coarse brush to remove fungi and rinse with plenty of water. Repeat if necessary. For more details, see the "Application Instructions" section.

PROPERTIES

SPECIAL PROPERTIES

Appearance	Colorless liquid
------------	------------------

PHYSICAL PROPERTIES

DATA

Weight per gallon (kg/gal)	3,75 - 3,85
Odor	Moderately strong
Typical density (g/ml)	0.99 - 1.02

CONTAINERS

AVAILABLE CONTAINERS

¼ gallon can (0.946 Lt.)

1 gallon can (3.785 Lt.)

TECHNICAL INFORMATION

SOLUCIÓN FUNGICIDA

Fungicidal Wash

539-00334-900

Apply with a brush or spray on areas affected by fungi.

Once this wash has moistened the entire affected area, leave on for 20 minutes, scrub with a coarse brush to remove fungi and then rinse with plenty of clean water.

In very severe cases it may be necessary to repeat the operation.

Notes

If contamination by fungi or algae is very severe, you may need a pressure wash (1500-2000 psi) before applying this Fungicidal Wash.

Let the surface dry and continue with the application of the product as described above.

OBSERVATIONS

If you need more information, check our website

<https://www.gruposur.com/asistencia/>

Keep container tightly closed in a ventilated place, between 20 and 30 °C, out of reach of children.

HEALTH

- ✓ The user of this product may need the appropriate Personal Protection Equipment (PPE), as described in its Safety data Sheet (MSDS), available at <http://www.gruposur.com>
- ✓ If you need to dispose of empty containers of our products in Costa Rica, contact your SUR Color paint store or our industrial compound in La Uruca, San Jose.
- ✓ Discard any product leftover and containers according to local regulations.
