

TECHNICAL INFORMATION

NIT INTENSACLEAN EXPERT DEGREASER

539-33326-900-18

DESCRIPTION

NIT IntensaClean Expert Degreaser is a water-based degreaser that effectively removes grease, oil and other contaminants deposited on different surfaces, even in the most difficult-to-clean areas.

USE

Use on stoves, ovens, grills, worktables, cookware, conveyor belts, rollers, process lines and any non-porous surface where excess grease is required to be removed. It can be used in professional environments, such as in food handling and processing. It can be used pure, undiluted or diluted (one 360 ml bottle can make up to 1 gallon of solution in tap water) depending on the state of surfaces to be clean. For more details see the "Application Instructions" section.

TECHNICAL INFORMATION

NIT INTENSACLEAN EXPERT DEGREASER

539-33326-900-18

Producto: 539-33326-900, NIT IntensaClean 1:1
Expert Degreaser

For medium dirt: It can be diluted
in equal parts with tap water.

Product: 539-33326-900, NIT IntensaClean
Expert Degreaser

For light dirt: pour the entire
content of a 12 Oz. bottle in a
gallon container and fill with tap
water.

PRODUCT APPLICATION

Application Instructions

It can be applied with a cloth, sponge, towel or with an automatic equipment.

It can be diluted in tap water according to "Product preparation" section, depending on the accumulation of grease and dirt.

Spray on the surface, leave on for three minutes, scrub with the most suitable tool, whether a sponge, brush or rag, and then rinse with tap water or wipe the excess with a damp cloth.

Repeat if necessary.

NOTICE

- ✓ If you need more information, check our website <https://www.gruposur.com/asistencia/>
- ✓ Container must be kept out of reach of children, tightly closed in a ventilated place.
- ✓ Do not mix with other cleansing products.
- ✓ Do not refrigerate it.

HEALTH

- ✓ If you need to dispose of empty containers of our products in Costa Rica, contact your SUR Color paint store or our industrial compound in La Uruca, San Jose
- ✓ The user of this product may need the appropriate Personal Protection Equipment (PPE), as described in its Safety data Sheet (MSDS), available at <http://www.gruposur.com>
