## NIT INTENSACLEAN INDUSTRIAL DEGREASER 10

539-33327-900

### DESCRIPTION

NIT IntensaClean Industrial Degreaser 10 is an unscented degreaser that effectively removes grease, oil and other contaminants deposited on different surfaces. Designed to remove grease from the hardest to clean areas. Contains biodegradable surfactants.

### USE

Use on stoves, ovens, grills, worktables, kitchen tools, conveyor belts, rollers, process lines and any non-porous surface where excess fat has to be removed. It can be used in industrial environments, such as food handling and processing.

Do not use it on stainless steel.

Highly concentrated product, do not use it pure, undiluted.

Read and understand "Product Preparation and Application" sections below in this same technical document for the appropriate dilution ratios recommended for each situation.

Do not leave this product in direct contact with a surface for more than two minutes.

After that time, use the most convenient tool to remove greasy dirt, whether they are sponges, brushes or brooms. Rinse the surface thoroughly after scrubbing.

Structure	Industrial, Electrical equipment, Floors, Bathroom, Furniture, Kitchen
-----------	--

Línea	Domestic Line, Industrial/Professional Line
-------	---

### PROPERTIES

#### SPECIAL PROPERTIES

Appearance	Clear liquid
------------	--------------

#### PHYSICAL PROPERTIES

#### DATA

Brookfield Viscosity (cPs)	5.0 - 50.0
----------------------------	------------

pH	12.0 - 13.0
----	-------------

Typical density (g/ml)	1.14 - 1.18
------------------------	-------------
