

DESCRIPTION

Expert Degreaser Wipes are towels impregnated with a degreasing product specially formulated to remove light grease and dirt from smooth surfaces such as tables, counters and kitchens. It is a water-based product, which effectively removes grease, oil and other contaminants deposited on different surfaces

USE

Use on kitchens, worktables, kitchen tools, conveyor belts, rollers, process lines and any non-porous surface where excess grease is required to be removed. It can be used in professional environments, such as in food handling and processing.

Ready-to-use product.

TECHNICAL INFORMATION

EXPERT DEGREASER WIPES

539-33328-900

Leave on for three minutes and then remove the excess product with a clean, damp cloth, depending on the surface.

To remove heavy grease in pots, pans, plates, it is advised to use one of our liquid products (NIT Multipurpose Degreaser 539-33325-900, NIT IntensaClean Expert Degreaser 539-33326-900, NIT IntensaClean Industrial Degreaser 10 539-33327-900), depending on the dirt to be treated, spray on the surface and then scrub with a brush or sponge.

Keep the container tightly closed to prevent the product from drying out.

NOTICE

- ✓ If you need more information, check our website <https://www.gruposur.com/asistencia/>
- ✓ Container must be kept out of reach of children, tightly closed in a ventilated place, between 20 and 30°C to avoid loss of its properties.
- ✓ Do not refrigerate it.
- ✓ Do not mix with other cleansing products

HEALTH

- ✓ If you need to dispose of empty containers of our products in Costa Rica, contact your SUR Color paint store or our industrial compound in La Uruca, San Jose.
- ✓ The user of this product may need the appropriate Personal Protection Equipment (PPE), as described in its Safety data Sheet (MSDS), available at <http://www.gruposur.com>
