## PROTECTOR DE CUEROS NIT

Leather Protector

539-33600-021

### DESCRIPTION

PROTECTOR DE CUEROS NIT INTENSA CLEAN is a waterproofing cream that moisturizes, smooth and renews old, dry, natural or synthetic leather (leatherette/faux leather) items, protecting anything made from those materials. It's specially indicated for care and maintenance of saddles and its components, as of horse-riding accoutrements and accessories, shoes, leather clothing, boots and any other leather goods.

### USE

Use only on natural or synthetic leather surfaces. Leather should be clean before applying the product. Apply with sponge included in the container, let stand for a few seconds, then rub gently with a dry cloth to enhance the natural shine. For more details read "Application Instructions" section.

**Line** Industrial/Professional Line  
Domestic Line

### PROPERTIES

#### SPECIAL PROPERTIES

Form	Amber clear cream
------	-------------------------

#### PHYSICAL PROPERTIES

#### DATA

Weight per gallon (kg/gal)	3.05 - 3.25
