APPLICATION INSTRUCTIONS

Internal glasses: Spray the product on a towel or sponge and rub in horizontal and vertical movements in a cross pattern, to cover the entire surface.

Glasses exposed to heavy contamination: First wash and degrease the surface to remove grease, dirt, smog, and any other contaminant.

Spray the product on a towel or sponge and rub in horizontal and vertical movements in a cross pattern to cover the entire surface.

Note

If necessary, repeat until a uniform cleaning is achieved.

NOTICE

- ✓ If you need more information, check our website <https://www.gruposur.com/asistencia/>
- ✓ Container must be kept out of reach of children, tightly closed in a ventilated place, between 20 and 30°C to avoid loss of its properties.
- ✓ Do not mix with other cleansing products.
- ✓ Do not refrigerate it.
- ✓ Do not apply on electronic items or on any object that could be possibly affected by a liquid

HEALTH

- ✓ If you need to dispose of empty containers of our products in Costa Rica, contact your SUR Color paint store or our industrial compound in La Uruca, San Jose.
- ✓ The user of this product may need the appropriate Personal Protection Equipment (PPE), as described in its Safety data Sheet (MSDS), available at <http://www.gruposur.com>
