TECHNICAL INFORMATION

KAPTO CABRA LACTANTE PELETIZADO

Pellet Dairy Goat Feed Mix

556-53330-P60-K46

Kapto Cabra Lactante Peletizado is a feed mix with balanced ingredients combined so they can generate an energy food very well accepted by farm animals.

Its pellet form improves the outcomes of this product since it reduces waste and improves digestion.

It can be used in a 3:1 ratio, that is, for every 3 liters of milk, use 1 Kg of balanced food.

For a properly balanced diet of your animals, consult our technical department or your zootechnical professional.

NOTICE

- ✓ If you need more information, check our website <https://www.gruposur.com/asistencia/>
- ✓ Container must be kept out of reach of children, tightly closed in a ventilated place, away from sunlight or intense heat, to avoid loss of its properties.
